

EMPLOYEE RE-SKILLING SOLUTION

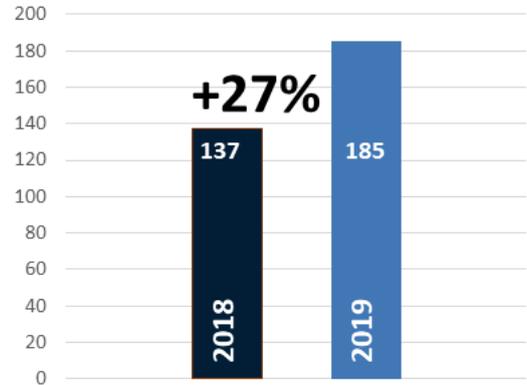

Assisting Employees Through Retrenchment Processes

PROBLEM STATEMENT

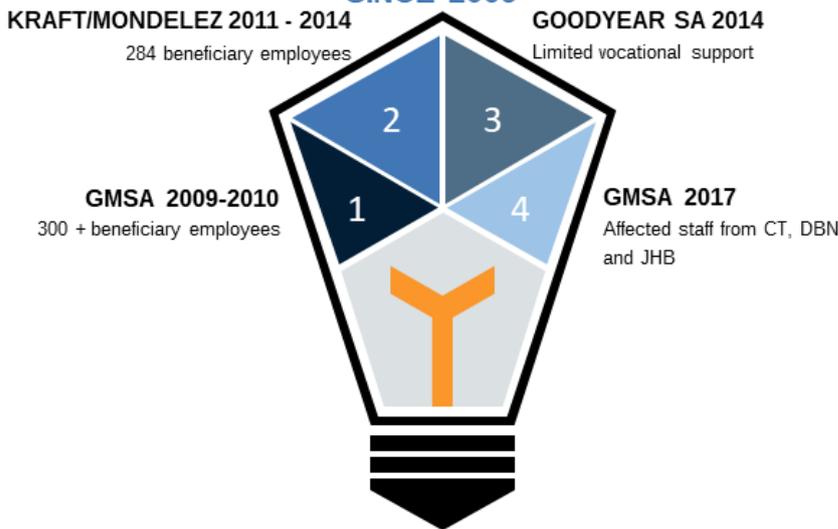

Retrenchment is a word that makes even the most confident employees feel uneasy. It is defined variously as "restructuring", "introducing cost cutting measures" or "reducing expenses". What it has come to mean in the minds of many employees is job insecurity and a loss of self esteem.

TAILORED RETRENCHMENT SUPPORT SINCE 2009

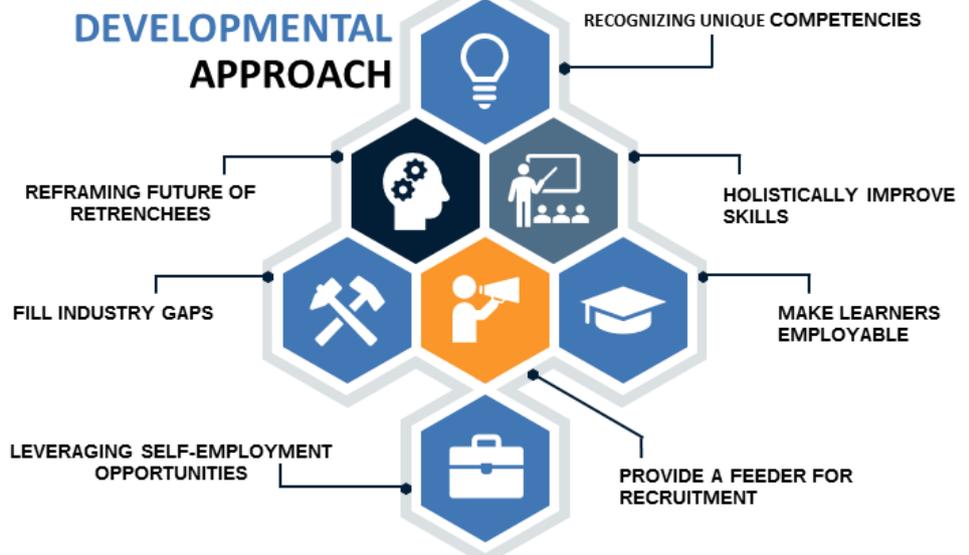

PROBLEM SOLUTION

The Engeli team is proud of our sterling Skills Development expertise to craft tailored retrenchment support and employee assistance interventions to facilitate the re-skilling of affected employees with plausible vocational or entrepreneurial training offerings.

ADDRESSING THE "WHY"

Each person owns a set of skills or competencies that can be further developed. Engeli ensures that the skills we provide meet market requirements - making learners more employable or self-employable.

OUR DEVELOPMENTAL APPROACH

"It is crucial to bridge the critical gap between manpower availability and employability by providing sustainable livelihood opportunities for all to grow and prosper"
